# Bishop Noll High School

Bishop Noll High School, center of Catholic secondary education in the Calumet area for thirty-five years, is the home port for students who come from a wide area. With each year not only the student enrollment but also the prestige of the school has advanced in every field of competition to the extent that Bishop Noll High School is now numbered among the largest schools in the area.

With a meager beginning in the classrooms of St. Mary's Parish, East Chicago, Catholic Central High School, as the school was formally called, originated in 1921 with forty students under the tutelage of the Paar Handmaid Sisters of Jesus Christ. In 1923 Rev. P. J. Schmid was appointed director of the newly founded high school, and a building program was begun at that time at the present site of the school in Hammond.

Father Canway succeeded Father Schmid as director of the school in 1934. Father A. J. Junk began his career at Noll as teacher and athletic director in 1933. In 1939 he succeeded Father Canway as Principal.

In 1933 the Paar Handmaid Sisters were succeeded by the Sisters of the Holy Cross who now number twenty-two members of the faculty. The student body not only has the advantage of these Religious as teachers, but the added services of seven diocesan priests and ten lay men and women.

In 1947 Catholic Central High became Bishop Noll High School in honor of Archbishop John Francis Noll, D.D., Bishop of the Diocese of Fort Wayne since 1925, founder of Our Sunday Visitor, and a great benefactor of the school.

The tremendous increase in enrollment in recent years necessitated the opening of two classrooms at St. Joseph's Parish in Hammond for the 1954-55 academic year. This past year a new west wing of six classrooms and a cafeteria was added to the school to relieve crowded conditions and accommodate the enlarged student body.

As Bishop Noll High School expands and develops to meet the needs of the advancing world, it offers its student four basic curricula: classical, scientific, commercial, and general. Extra curricular activities extend opportunities to develop particular abilities and talents of each student in the academic, social, athletic, and religious fields. With each step of advancement, each student becomes better equipped to

face the problems of the world after leaving Noll High's portals.

With the passing of the years, dreams have become realities through hard work and sacrifice. Though much progress has been made, there are still more dreams which, it is hoped, will soon become realities to make a good school even better.

# The Grotto

Whether the year is 1942 or 1956, the Grotto of Our Lady of Lourdes is of paramount importance to Nall's family, student body, and alumni.

Located at the west end of the campus, the Grotto represents a special tribute to Mary, the Mother of God. Twelve years ago Nallites, with the encouragement of Sister Ivan, spent their free time constructing the Grotto which contains rocks from various parts of the world, notably from Lourdes and Fatima.

Upon its completion, the Grotto soon became an integral part of school life and treasured traditions soon centered around it. Prayers of petition and thanksgiving are laid at Mary's feet daily. Before and after each home football game the team in a body visits Our Lady.

Near the beginning and end of each school year special ceremonies are held at the Grotto. In October the entire student body joins in reciting the rosary and in Benediction of the Blessed Sacrament before the Grotto. In May the entire student body again honors Our Lady with the May Crowning ceremony. The prayers directed to the Mother of God at Nall's Grotto over the years have undoubtedly brought many blessings to the school, its faculty, students, and alumni because of Mary's powerful intercession.

# St. Margaret Mary

Since 1952 St. Margaret Mary's Church, located on the school campus, has provided a splendid complement to the religious life of Noll High students. Though it is really a parish church, students are welcome to the advantage of its quiet facilities for daily Mass and Holy Communion before school hours.

Each of the four classes has a special day during the week when the students of that class are urged to make a personal sacrifice at least once a week to attend Mass. This is a matter of personal responsibility and no attempt is made to make any sort of a check. On the day of any athletic event it is a common sight to see the players and many other students at Mass and Communion. On each First Friday of the month an especially large number of students is present. During the past year the C. S. M. C. has also sponsored a Holy Hour after school as a part of its monthly First Friday program. During the annual retreat students also had the use of the parish facilities.

On December 6, 1955, the Most Reverend Lea A. Pursley, D.D., Apostolic Administrator of the Diocese, officially opened and blessed the newest wing of Bishop Nall High School. Sorely needed far quite same time, the sunny cafeteria has already won a place in the hearts of officers and crew of the USS Nall. The six additional classrooms on the first floor of the addition have relieved crowded conditions to same extent and permitted the admittance of one hundred eighty more students.

Construction of the addition was begun immediately after classes ended in the spring of 1955. Work went on feverishly and, though the wing was not completed at the beginning of school in the fall, the six classrooms were ready for use September 19. The new cafeteria on the second floor, with its new tables and kitchen equipment of stainless steel, was ready for use in November.

# Student Administration

After almost a full year of planning, the new Student Administration came into being this year at Noll High School. A new constitution was drafted, revised several times, and finally adopted. New officers were elected by the student body in the spring of 1955.

The executive branch of the Student Administration, composed of the president and his cabinet, and the Senate and House of Representatives introduced the new "Warrior Guide" of rules and regulations for Noll High students. A "Club Day" schedule has been established to increase student participation in club activities and to provide additional

time for existing school clubs to plan their activities. The Halloween Masquerade, Winter Formal, and Clean-up Week were Student Administration projects. The Student Administration of Noll High School has also taken active part in the Lake County Student Council Association.

Sponsored by Father Zimmerman, President David Mellady, Vice-president Aurelio Duralski, Treasurer James Hudspeth, and Secretary Jane Austgen directed the new Student Administration in the first year of its operation at Noll High School.

David Mellady, president; Aurelio Duralski, vice-president; Father Zimmerman, faculty advisor; James Hudspeth, treasurer; and Jane Austgen, recording secretary.

The Men's Club of Bishop Noll High School is composed of the fathers of the students, alumni, and other Catholic men interested in the advancement of Catholic secondary education.

The Fathers' Club greatly supports and aids Noll's Athletic Department in helping to raise funds by sponsoring bingo games and smokers. In conjunction with the Mothers' Club, they sponsor the annual Athletic Bonquet. Members of the club often lend their time and effort in supplying transportation for Noll's athletic teams when they play away from home and they monitor the home games.

Vice-presidents representing each class are Mr. Allan Adzio, Juniors; Mr. Andrew Chmiel, Sophomores; Mr. Stephen Bencze, Seniors; and Mr. Andrew Gordon, Freshmen.

This organization of mothers of Noll High School students has as one of its projects the annual S. D. S. card party and style show. In joint cooperation with the Fathers' Club, the members also serve the annual Athletic Banquet in the spring and the Baccalaureate Breakfast for the seniors and their parents at graduation time. The combined Fathers and Mothers Clubs also sponsor several socials during the year.

Vice-presidents representing each class are Mrs. Frank Marcinik, Juniors; Mrs. Andrew Kavan, Seniors; Mrs. George Rohrman, Sophomores; and Mrs. Julius Sabo, Freshmen.

## Seniors:—

The First Mates  
of the U.S.S. Nell

are the Seniors.

They set the example  
and the pace for the  
crew. The aim of  
the Senior is to

acquire a well-rounded  
education and personality  
with which to battle the  
elements of life's sea.

He must know the  
means and the end which  
the Great Navigator has  
planned for him.

# Baccalaureate Mass

A Solemn High Mass was celebrated at St. Joseph's Church, Hammond, on May 31, 1956. This Baccalaureate Mass marked the real beginning of the formal Graduation Exercises of the Class of 1956. The Mass was offered by Father Junk, Principal, assisted by the priests of the faculty, for the intentions of the Seniors and their parents. The choir was under the direction of Father Melevage.

The graduates were reminded in the sermon of their duty to plot their life's course for the greater glory of God and their salvation of their souls. The Seniors also received Holy Communion at the Mass. Breakfast was then served for the Seniors and their parents by the parents of the Junior class at Memorial Hall in East Chicago.

# Commencement Exercises

On June 3, 1956, the Senior crew members of the U. S. S. Nall marched slowly into the Hammand Civic Center where their parents, relatives, and friends had gathered. The strains of "Pomp and Circumstance" faded into the distance and Commencement Exercises began with the addresses of the class Valedictorian, Salutatorian, and guest speaker.

As proud parents watched, Rev. A. J. Junk, Principal, conferred the awards and scholarships to the high ranking Seniors and then officially granted each of the graduates his diploma, the culmination of his four year cruise and the passport to a life time of enterprise.

# Bell Chosen As Senior Prexy

James Bell, Senior Class President

The selection of senior class officers differs slightly from that of the underclassmen at Noll High. While all other classes have a complete set of officers for each home room, the seniors elect a president of their class at large. Each senior home room submits a presidential candidate and the entire senior class members choose the one who will officially represent them. Each individual home room has a vice-president, secretary, and treasurer.

James Bell was selected by the seniors as their class president. He is a member of St. Monica's Parish, Gary. Choice of him as senior class president is evidence of his pleasing and popular personality. While at Noll, Jim was active in athletics, especially varsity football and basketball, and was a member of the Monogram Club.

# Honor Students

Shortly after the second semester gets under way, anticipation always mounts as the student body awaits the announcement of the Valedictorian and Salutatorian of the graduating class. These two honors are customarily awarded to the boy and girl of the senior class with the greatest number of honor points. John Chute, as Valedictorian, has the distinction of being the highest scholastic ranking member of his class. Carol Blake, the Salutatorian, is the highest ranking girl of the graduating class.

## Valedictorian

### JOHN CHUTE

John Chute, the highest scholastic ranking student of the class of 1956, has earned for himself the honor of Valedictorian of his class. He is the son of Mr. and Mrs. John L. Chute, Sr., and a member of St. Mary's Parish, East Chicago. Before coming to East Chicago, the Chute family lived in the state of Maine.

While at Noll High School, John participated in football, both as a player and as student manager. He was a member of the Bi-Phy-Chem and was elected this year as president of the National Honor Society. His future plans include matriculation at Notre Dame University to prepare himself for a career as a nuclear physicist.

## Salutatorian

### CAROL BLAKE

Carol Blake, highest ranking girl of the 1956 graduating class, has merited the distinction of being named class Salutatorian. She is the daughter of Mr. and Mrs. Jeff Blake and a member of Immaculate Conception Parish, East Chicago.

Besides being an outstanding student, Carol was very active in extra-curricular circles. She was a member of the S. D. S., the Senior Service Club, French Club, Booster Club, and Marquette Staff. In her sophomore year she was elected by the faculty to the National Honor Society. After graduation Carol plans to enter Nursing.

# History

In the spring of 1955 the History Department of Bishop Noll High School sponsored a contest of its own to replace the National History Contest which has been discontinued. After preliminary eliminations were made, the top students of the United States History classes competed in a final elimination contest. Contestants were Aurelia Dursalski, Mariellen Kinney, Richard Meister, Judy Mellon, Patricia Papp, Betty Sacek, and Celine Susorney.

The final elimination contest consisted of an original essay on "The Development of Political Parties in the United States." Teachers of the History Department acted as judges of the essays and selected Celine Susorney as the student who showed the best understanding, comprehension, and presentation of the topic.

# Sports Staff

The log of the U. S. S. Noll now turns to the story of athletics at Bishop Noll High School. As in every high school, athletics are a major activity throughout the entire academic year. In the fall football is king. Fast on its heels, are basketball, wrestling, and swimming. In the spring track, golf, and baseball reign and close the athletic year at Noll High. This well-rounded athletic program provides enjoyment and excitement for all Noll Warrior teams. No less active are the faithful Warriors who fill the bleachers, for they too are an integral part of the athletic life of the school.

The Athletic Department is composed of Father Zimmerman, Mr. Huffine, Mr. Buckley, Mr. Hudson, Mr. Dermody, Mr. Dunleavy, and Mr. Quinn.

## REV. A. J. ZIMMERMAN

Father Zimmerman, as head of the Athletic Board, holds one of the busiest jobs at Noll High School. It is his duty to arrange the schedules and contracts, and to supervise generally the athletic program. As if this were not enough, he also is the ticket manager and has his own schedule of classes to teach. These duties, detailed and difficult, have been accomplished very well by Father Zimmerman.

## MR. KARL HUFFINE

Mr. Huffine holds the position as athletic director and head football coach at Noll. He is Father Zimmerman's co-worker in all matters concerning the Noll athletic program. As head football coach, he is the brains responsible for bringing Noll's football team recognition as one of the powers in the State of Indiana.

## MR. JAMES BUCKLEY

Mr. Buckley is the head swimming and baseball coach, but he is probably better known as the line coach in football. In this position, he is responsible for instilling the strong spirit in the football team. This spirit is likewise felt strongly in all other athletic teams. Mr. Buckley became swimming coach when that sport was added to the program last year. His baseball teams are always strong, and in seven years enjoy a winning percentage of over .700.

**MR. JOHN DERMODY**

Mr. Dermody, a Noll High alumnus, returned to Noll as a teacher and member of the Athletic Department. He holds the reigns of the reserve football and basketball teams. These two positions are most important, for it is here that budding Noll Warriors learn their fundamentals and begin their development as candidates for varsity positions.

**MR. EDGAR HUDSON**

Mr. Hudson is the head basketball coach. This is a tedious task with tremendous pressure and tension, for basketball is well termed THE HOOSIER SPORT. Mr. Hudson handles this job well, and since coming to Noll High has fielded steadily improving teams. Under his direction the Warriors were undefeated this season, an accomplishment never before attained by any Hammond team in basketball.

**MR. GEORGE DUNLEAVY**

Mr. Dunleavy, a Noll High alumnus, returned to his alma mater to assume the positions of assistant football coach and freshman basketball coach as well as a teacher of mathematics. Last year he also undertook the position of head track coach and has considerably improved the track squad at Noll High.

**MR. JOHN QUINN**

Mr. Quinn, the newest arrival to the Athletic Staff, came to Noll High in 1954. He took over wrestling when it was introduced at Noll and also the freshman football squad. Wrestling, under Mr. Quinn's able direction, is becoming strong and will hold its own among the many sports at Noll High School.

## Monogram Club

The Monogram Club is composed of those athletes who have earned a major letter in a sport at Noll High School. This is accomplished by participating in half the quarters in basketball and football, half the innings in baseball, or by scoring fifteen points in any of the other sports. The large blue "N" signifies not only the actual time played in games and meets, but also many long hours of training, practice, and hard work. It represents the sacrifice made by an athlete for his school and is the coveted goal of every loyal and spirited Noll athlete.

Coach Buckley is the Faculty advisor of the Monogram and the student officers are Pete Rodriguez, president; Ed Robak, vice-president; Jim Flaherty, secretary; and Bob Bradtke, treasurer.

Varsity cheerleaders are Janice Varga, Jayne Knaerzer, Elaine Shestak, Jaanne Knaerzer, Danna Augustine, and Martyna Ryder.

Reserve cheerleaders are Natalie Burnham, Patti Knittel, and Virginia Krivickas.

## *Managers*

The Student Athletic Managers are a group possibly least appreciated by the student body at large because their work is mostly in the background. However, any athlete realizes how important they are. The managers spend long hours the days before the games checking and issuing uniforms and attending to the needs of team members. They actually put in more time than the players themselves. They must be at every practice session before any of the players, and they cannot leave until everyone else has gone. After the games they must collect all the uniforms and see that they are ready for the next practice or game. They are in a real sense the unsung heroes of any team, for without them the team could not operate.

## Bishop Noll Rips Brazil

Washington, Noll Face  
Tests Tonight

Bishop Noll and East Chicago Washington, two of the Calumet Region's classiest high school basketball combinations, campaign tonight to add laurels to their reputations.

Unbeaten Noll travels to Merrillville in quest of victory No. 5. Washington takes on South Bend Adams in a battle for the third straight victory. The Senators strive for their fourth victory in five games.

Elsewhere, Hobart travels to Gary Township, Gary Talliston and Gary Lee Wallaugh clash in a West Side Division battle, and Frankfort Gym, with the Senators striving for their fourth victory in five games.

In Merrillville, Noll faces a team

spiring a one win, two loss record. Roosevelt, 6-4-4, in their last appearance and lost to Calumet Tuesday night, 48-40.

Don Hatten, a 6-6 veteran, will be leading Merrillville's point guard.

Hudson has five wins and Bob Bradtke to counter Hatten. Graney has scored 61 points in four games and has won with 19 point totals in each of his last two games. Bradtke has a 10-point average.

Calumet goes against Hobart with a record of four straight wins after an opening game loss to

CROWN POINT — Not many people thought Bishop Noll would be as strong this year, with Ron Lomax graduated as well as the others who were last season when the Warriors wound up with a 10-3 record.

But the signs point to another Noll combination. Last year the Warriors won nine straight, before Gary Roosevelt won up 19 points.

It just possible the Warriors could be holding a 10-game winning streak when they bump into the next team on their schedule. That will be Jan. 18 in the Civic Center.

ACCUMULATE — The 10 straight streak Noll will have to win to match the 1936-37 record held by Calumet, now come back from the Frankfort holiday tourney with the victory's trophy.

That's quite an order. To date, Coach Eddie Hudson's team has won five with a fifth triumph being gained at the Crown Point Community Gym Wednesday.

Despite the final score the firing was about as exciting as a moment's notice. The final period was a quarter. Noll's margin in the first period was a point, 17-16. Midway through the second period Noll was 21-20. Noll, with the Warriors' 21-20

Hudson's clan chalked up the next 10 points with Bob Bradtke kicking off the spurt with two quick baskets, the second one a lay-up, adding his two points worth.

By halftime the lead was 31-26. Noll then closed out the third quarter by coming up with 10 points to Merrillville's seven.

When the 4-6 Lomax, 6-6 Graney and Bradtke, the three feeders for the front line, were guarding the basket when they were last season when the Warriors wound up with a 10-3 record.

MORE BALANCED scoring is in order. The team just put most of the rebounds and Bradtke must be a heavy contributor to the score. The rest of the team's scoring was dependent upon manufacture points.

Against the 10 straight five quarters each lashed out six or more points with four of the regulars getting nine or more. Bradtke was with 22 points and the rest of them jumpers. Graney was next with 17, followed by Allan with 15, Eddie with 14, Bradtke and Jim Bell with six. Reserve Russ Marzlin threw in eight more.

Coach Eddie Hudson's five starters, led the Pirates with 15 markers and Bob Angerman added with 10.

Graney's 19  
Leads to  
6th in Row

Bishop Noll won its sixth game without defeat, 68-45, over Brazil Saturday night in the Civic Center. Mike Graney and Bob Bradtke again led the abbreviated first-string attack

with 19 and 16 points respectively.

Brazil battles Eddie Hudson's team again this evening through the Civic Center. The Pirates are out only three points in scoring. But Bradtke popped two and Bradtke has been a good player to any idea of an upset. The Warriors are 14 points at half-time with reserves already tracking into the upended contest.

GRANEY, WHO makes a habit of disposing of teams, again turned the trick against 6-6 Larry Crabb. Crabb managed only two points in the first half shot. Max Buck got 14 points for Brazil.

It was a fast break and a minimum of fouls made the Brazil defeat as quick and painless as possible.

It will be against Hammond Tech in the second game of the Civic Center Tournament. That far no team has beaten Tech, but with 16 points of Noll, The Warriors are averaging 73 points per game compared to the opponents' 54.

Noll is really good—possibly better balanced than any team in the state. It's a good record, and it's too bad Eddie Hudson hasn't been able to get a win.

In similar vein, it is unfortunate that Hammond High can't score. The team has been out only three points in scoring. But Bradtke popped two and Bradtke has been a good player to any idea of an upset. The Warriors are 14 points at half-time with reserves already tracking into the upended contest.

INDIANAPOLIS (AP) — Annual Indiana high school basketball tournaments will be again at the Civic Center instead of the usual week in December due to Christmas Day falling on a day.

Unbeaten Hammond Tech, 6-6, faced Eddie Hudson's team in two of the three tournaments. The Warriors beat Hudson's team, 56-54, in the first day with Hammond Tech, 11-1, and Morton and Martinsville the next day.

INDIANAPOLIS (UPI) — Indiana's high school basketball rankings are in for some streamlining today after top-ranking Indianapolis Attucks barely nosed out City Tech for the Capital City holiday tourney crown. Hammond Noll ran off with its second major triumph of the week and Gary Roosevelt and Mononville tumbled from the perfect ranks.

"They are the best I've seen, period," said Howard Mathis. "The veterans, especially his first year at Glendale, had been a helpless Civic Center spectators Saturday night. But the new boys, under a Bishop Noll tidal wave, 72-54, Noll's 14th in a row snapped a six-game skein by Glenn.

The fun of it," he continued. "I saw the Lafayette Holiday Tournament, and in addition to the teams we have played, I have seen quite a few others. The best team I saw was Terre Haute Garfield but they are definitely better. Garfield is one of the best teams in the country. They just killed us under the boards but he wasn't alone." # National Honor Society

The National Honor Society, now in its eighth year of existence at Noll, has its official purpose stipulated by the national headquarters of the society: "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthwhile leadership, and to develop character in students."

Two necessary pre-requisites for membership in the society are demanded by the national headquarters: a student must have completed at least two semesters at Noll High School, and his scholastic rating must be in the upper one-third of his respective class. Once those pre-requisites are met, faculty members then elect students to the society on the basis of leadership, service, and character which they are able to observe in the qualified candidates.

Faculty sponsor of the National Honor Society at Noll High is Sister Dolata. Members of the society chose John Chute as president, Audrey Benich as vice-president, Marilyn Giedemann as secretary, and John Groff as treasurer.

# Latin Club

One of the youngest members of Noll's family of clubs and organizations is the Latin Club, presently comprising students of the third and fourth year Latin class. The club set out with a will to create a name for itself and establish a firm foundation for future expansion. Its motto, "Fiat Lux Per Studium" — "Let there be light through study," provides for the greater appreciation of our Roman and Greek heritage.

Under the sponsorship of Sister Ruberta, faculty advisor, officers of the club are Judy Mellon, president; Celine Susorney, secretary; Bob Ennis, treasurer; and Carol Schreiner, reporter. Tentative plans call for extending membership to first and second year Latin students.

Its purpose is to promote a Christian outlook on today's business world and provide practical demonstrations of modern business practices, methods, and advancements for its members. The club is an honorary club open to all students who maintain a "B" average in at least two commercial subjects. The club stimulates interest in greater achievement in the commercial curriculum.

# Prop & Publicity

The Prop and Publicity Club is one of the leaders responsible for building and maintaining school spirit at Bishop Noll High School. It is composed of sophomores and juniors with an artistic ability and an interest in producing posters to publicize various school activities.

This year particular emphasis was placed on the operetta, and the members of the club not only devoted much of their free time to the production of operetta posters, but also helped in painting the scenery used in the production of the operetta. During the Christmas season the general public of the Columet region often viewed some of the work of Prop & Pub members, for they painted a Shore Line Bus in an appropriate motif advertising the annual Christmas Seal sale sponsored by the Lake County Tubercular Association. An average of twenty-one hours throughout the year is required of each student for membership in the club.

The Prop & Pub is under the direction of Sister Cyril, and the student officers are Teresa Murillo, president; Mary Arden Hauer, vice-president and treasurer; and Pat Durolski, secretary.

Included in this year's local projects were the furnishing of Christmas gifts for European children, sending gifts to the Beatty Memorial Hospital, making Christmas favors for the aged folks of St. Ann's Home, and contributing to the local Good Cheer Fund and other local charities.

Composed of senior girls who volunteer their time and efforts to the fulfillment of its purposes, the members alternate in serving the faculty in the cafeteria during lunch periods, attend to the proper assistance and guidance of visitors to the school, and are available for any other similar tasks which may occur.

The officers of the newly formed club are President Shirley Fazekas, Vice-president Marge Janz, Secretary Cathy Janz, and Treasurer Nancy Ryan. Under the guidance of Sister Ivan the Senior Service Club has become an active and important entry in this lag.

# Warrior Staff

The official publication of the U.S.S. Noll, known to all Nollites as "The Warrior," appears monthly with all the news events of Bishop Noll High School. It is a printed edition that is planned and composed by the Editorial Staff in conjunction with the reporters who seek all the information on coming events and review notable happenings of the recent past. The Warrior Staff consists of Juniors and Seniors who are interested in journalism work.

Miss Gerhold, in her first year of teaching at Noll High, is the faculty sponsor of the paper. Audrey Benich was the Editor-in-Chief this past year and was aided by Mary Kay Mehan as Assistant Editor and Aurelia Dursalski as News Editor.

# Marguerite Staff

The yearbook of any school should be a permanent record of the faculty and student body, the athletic and extra-curricular activities, and the notable events of the current school year. That is no small order, and it is the task of the Marquette Staff to compile, edit, and produce the yearbook of Noll High School.

Members of the Staff are chosen exclusively from members of the Senior class who volunteer their services. Judy Mellon and Richard Pietranczyk were co-editors of the 1956 Marquette, and Father Seimetz was the Faculty advisor. Special thanks are due to Father Back and Stanley Nawrocki for the many hours they spent on photographic work for this year's annual.

## C.S.M.C. Vice-Presidents

The Catholic Students Mission Crusade is a Pontifical Society organized for young Catholic American High School Students who are willing to contribute to the spirit of a Christian way of life. They try to accomplish this through prayer, study, and personal sacrifice.

The Noll unit of the C.S.M.C. is one of the most active of student clubs. Besides weekly monetary collections for the missions, the group also attempts to nourish the spiritual life of other students at Noll and to instill in them an interest and love for their less fortunate neighbors.

First Friday is a busy day for the Crusaders. It is opened with a program over the public address system and is climaxed with a holy hour at St. Margaret Mary's Church at the end of the school day. Other activities of the C.S.M.C. include the October Rosary Devotions, the May Crowning, the Annual Date Dance, and the "adoption" of needy families at Christmas-time.

Members are eagerly anticipating the National C.S.M.C. Convention to be held in August at Notre Dame University in which they will participate and learn more about Catholic missions and their importance in today's world.

"You show him you care by what you wear."

This slogan was the basis for the S. D. S. Club started at Noll High in 1953 by eleven girls who were then juniors and seniors. The club immediately became popular and is at present one of Noll's largest clubs. The purpose of the S. D. S. is twofold: first, to develop the desire for Christian modesty in clothing styles; and secondly, to urge manufacturers by a greater demand for that type of clothing "to supply the demand for the supply."

Periodically during the school year style shows are presented by the members so that the student body may see that modest clothing is both attractive and stylish.

Sister Hortense is faculty sponsor of the club. Student officers are Martha Ward, president; Carol Klamm, secretary-treasurer; and a vice-president is elected as a representative for each class; Carol Blake for the seniors, Emily Bubola for the juniors, Anita Puchly for the sophomores, and Barbara Bieker for the freshmen.

Sister Hortense is the Faculty sponsor of the S. D. S. Club. Student officers are: (seated) Martha Ward, Carol Klamm; (standing) Corale Buchatz, Emily Bubola, Barbara Bieker.

# The Bartered Bride

On Jan. 28, 29, and 31 the Senior Charal Club, under the direction of Father Melevage, presented "The Bartered Bride," an operetta composed by Bedrich Smetana. The operetta was first published in 1866 in Bohemia. Because of its charm and appeal it gradually found its way into twenty-three other languages, including English. It is filled with spark-

ling folk tunes, dances, and the wonderful common people with their worries and joys. The aperetta is a real fantasy, close to the core of common aspirations. Beyond the echo of its present dances sounds an abiding conviction that living can be joyous and honest.

#### THE STORY

The locale of "The Bartered Bride" is a small Bohemian village where the villagers are about to celebrate the feast day of their Patron Saint. As they sing of love and happiness, Marie and Jenik, two lovers, are unhappy because her parents have arranged for her marriage to Vashek, a nitwit and the son of the wealthy Micha.

Marie decides to remain true to Jenik. She secretly meets Vashek, who does not know her, and tells him that the girl to whom he is engaged is mean and loathsome and will most probably kill him. He becomes frightened and promises not to marry her.

Meanwhile Kezal, the crafty "marriage broker," anxious to collect his fee, tries to bribe Jenik to give up Marie. Jenik agrees on the condition that Marie marry no one but a son of Micha and that all her father's debts to Micha be thereby dissolved. Jenik secretly rejoices in the bargain, for he is Micha's

son by a first marriage.

Before Jenik can inform Marie of the situation, Kezal, proud of his craftiness, reveals that Jenik has bartered Marie for three hundred gold pieces. Marie is broken-hearted and out of spite agrees to marry the nitwit Vashek who now awkwardly refuses for fear of being poisoned. The villagers all turn on Jenik for his apparent infidelity to Marie.

A company of traveling players comes to town to celebrate the village feast. At the gathering Micha and Hato come on the scene and recognize Jenik, their long lost son. Jenik's plan is now obvious: he gets the three hundred gold pieces and also Marie. The thwarted Kezal flees while the villagers ridicule and shame him. Micha blesses Jenik and Marie, the reunited lovers, and all rejoice in the wedding of the Bartered Bride.

## So She Made A Novena

The Senior class presented two delightful one act comedies at the Whiting Community Center on the evening of November 22. Sister Edith directed "The Trysting Place", and Sister Rosalia directed "So She Made a Novena." Student director was Joan Knoerzer.

"So She Made a Novena" concerns Katie Bryan (Bobbie Peters), an old maid of thirty-four years, who has made two hundred and eight novenas to St. Joseph in search of a husband. Katie decides to leave home, and, in utter disgust with St. Joseph, throws his statue out of the window before she is about to leave. The answer to her prayers is in the person of John Michael Hurley (Bert Suter) whom the statue hit on the head and who appears for first aid. The play ends happily for Katie who discovers that St. Joseph can work in strange ways at times. Katie's bad disposition and Irish brogue and Olga, the maid with her refreshing Swedish accent, gave this play a flavor so typical of many human situations.

## The Trysting Place

"The Trysting Place" is situated in the lobby of a summer resort hotel. It centers around Lancelot Briggs (Dennis Fus), a seventeen-year-old, who had been saying, "Yes 'm," to his domineering mother and sister all his life. In Mrs. Curtis, an attractive widow and guest of the hotel, Lancelot envisions the love of his life. His mother and sister, though carrying on their own secret love affairs, attempt to put an end to Lancelot's infatuation. Their efforts are useless, for Mrs. Curtis has her own secret interests in the "mysterious voice." "The Trysting Place," moving from one couple to another, was a fast moving comedy, and prominent suspense added the final touch to the climax.

# Winter Formal Held Dec. 30

The holiday festivities were heralded at Noll High with the Winter Formal, an annual event between Christmas and New Years. This year the dance, a semi-formal, was held Friday, Dec. 30. The theme of the dance was "Crystal Catilian." The ballroom of the "castle" decorated in gold and white was a beautiful background for Earl Ratz and his quartet and the capacity crowd. The evening was thoroughly enjoyed by all the students attending, as well as the many farmer Nallites who used the opportunity to renew friendships with former class mates.
